

As part of the Galleria London's redevelopment, our Food Court will be relocated. The centre's existing Food Court has been closed effective January 16, 2008. Please watch for our new state-of-the-art Food Court that will open on the South Side, Lower Level in February 2008.

The public washrooms located in our existing Food Court will remain open.

In the meantime, we invite you to visit one of Galleria's wonderful restaurants or food services - Elephant and Castle, Rockwaters Brew and BBQ, Siam Café, Tim Hortons, Right Blend and Charity Juice Bar.

Galleria Management would like to apologize for any inconvenience this closure may cause you and look forward to welcoming you to our new Food Court in February 2008!
